## Want to Say Thank You to Your Nurse?

### Share *Your* Story!

**The DAISY (Diseases Attacking the Immune System) Award** is an international recognition program that honors and celebrates the skillful, compassionate care nurses provide every day. The DAISY Foundation was established by the family of J. Patrick Barnes after he died of complications of the autoimmune disease idiopathic thrombocytopenic purpura (ITP) in 1999. During his hospitalization, his family deeply appreciated the care and compassion shown to Patrick and their entire family. When he died, they felt compelled to say "thank you" to nurses in a very public way. To learn more, visit [DAISYFoundation.org](http://DAISYFoundation.org)

Please say thank you by sharing your story of how a nurse made a difference you will never forget!
